Call for application

Stephen W. Kuffler Research Scholarship

The *Stephen W. Kuffler Research Foundation* (www.kuffler.org) welcomes applications for the Stephen W. Kuffler Awards supporting original research by undergraduate, master and medical students.

The application is open for bachelor, master and medical students, irrespective of their nationality, who carried out original research in Central and Eastern Europe in the academic year 2013/14 and continue it in the year 2014/15 in the fields of life and medical sciences.

The award of the fellowship is 170 000 HUF.

The application should contain the requested information found in the application form (available online from the www.kuffler.org).

Applications should be sent as one pdf file to kuffler@koki.mta.hu before 7th July 2014.

Two letters of references (pdf files), one from the scientific advisor and one from another faculty member or colleague, should be sent directly to kuffler@koki.mta.hu before 7th July 2014.

The application will be judged and ranked by the Trustees of the *Foundation* based on their scientific excellence and future potential. The winners will be announced and their names will be displayed on the web site of the *Foundation* (www.kuffler.org) on 5th October 2014. The *Foundation* will follow the developments of the Awardees and will request a short summary of the performed research after the completion of the Fellowship. The *Foundation* also aims to follow and support the scientific career of the Scholars after the end of the support period.

The Board of Trustees

14th May 2014
